#### Remarks

Discover the perfect blend of privacy, space, and luxury in this stunning Englewood home, nestled on an oversized lot that backs directly onto a county park for complete seclusion. Designed for relaxation and entertainment, the lushly landscaped property features a well-fed irrigation system with rust prevention, a stamped concrete lanai (resurfaced in 2018), and an extended outdoor deck. Enjoy year-round resort-style living with a saltwater, heated pool and spa. The pool itself is beautifully finished in Pebble Tec, while the adjoining spa features a cascading waterfall. Inside, the split floor plan separates the guest bedrooms from the master suite and the home exudes warmth and sophistication with vaulted ceilings, crown molding, and a charming fireplace. The chef's kitchen is a standout, offering raised panel cabinetry, granite countertops, LG stainless steel appliances, and striking double tray ceilings. The spacious family room is designed for gathering, featuring a wet bar and a stunning stone accent wall. Each bedroom is generously sized with walk-in closets, while the master suite is a true retreat, boasting a wood plank accent wall, crown molding, two walk-in closets, and a versatile sitting room, office, or den. The master bath impresses with dual sinks, granite
